Dear Colleagues,

It is a great honour and pleasure to invite you to the third edition of the AUVA's "International Congress of Concepts and Innovations in Knee Surgery", which will be held from 28th to the 29th of June in 2019.

The congress has moved this time from Carinthia to Vienna for reasons of better international accessibility and therefore good and rapid access for our international speakers and congress participants.

Furthermore, Vienna is a worthwhile destination, rich of imperial treasures and cultural heritage.

The congress is held near the baroque Schönbrunn Palace at the Orangerie, which is its oldest palmhouse and was used for glittering court festivities.

The congress programme includes currently discussed topics from well treatable injuries, to difficult severe posttraumatic conditions up to salvage procedures, to methods aiming at saving the limb and part of its function. For that, new techniques, new concepts and procedures are presented and this in a concise programme of two days. We were again successful in generating an excellent faculty for this event, who will provide you with the highest level of expertise, experience and contemporary solutions.

This congress will be filled with life, enhanced through good personal talks and discussions. We are convinced that this congress will provide you with an overall update in terms of applying the new expertise into your daily practice.

We are also pleased to invite you to our special “Meet the Experts – Get-Together and Networking Dinner”, which will be an occasion for sharing our knowledge, for networking and making personal contacts, making this congress an unforgettable event.

Participate in the congress with its interactive and innovative programme. It will enable you to take your knowledge to a higher level, not only by learning and sharing, but also by meeting renowned experts in the field of knee surgery.

We are looking forward to welcoming you all in Vienna in early summer.

Sincerely,
Vinzenz Smekal
Congress President

How to find the Orangerie Schönbrunn?

Schönbrunner Schlosstrasse 47, 1130 Vienna, Austria

Arriving by car

If you arrive by car, there are three possibilities:

Coming from the south: Highway A2

Take the direction to the city centre until exit „Altmansdorf“, then drive straight ahead to „Schloss Schönbrunn“.

Coming from the west: Highway A1

Drive along Schönbrunner Schlosstrasse towards the city, pass the main gate of Schönbrunn Palace until you reach the pedestrian lights. The entrance of the Orangerie is on the right side.

Coming from the east (A4) or the north (A22): Highway A23

direction Vienna, then change to A23 (Südosttangente) direction "Graz" and finally take the exit "Altmanndorf". Then drive straight ahead to "Schloss Schönbrunn".

A big parking lot – APCOA Parking – is located directly opposite the entrance of the Orangerie on the left side of Schönbrunner Schloßstrasse.

Reduced prices for congress participants

(You will get the stamp at the registration desk)

Parking fee for 4 hours EUR 10.00
