

Programm

67. AOTrauma Symposium Besonderheiten in der Frakturversorgung. Wie gut sind wir wirklich?

7.–8. Januar 2020

Aigen im Ennstal

Home to Trauma & Orthopaedics

Value statement

AOTrauma is committed to improve patient care outcomes through the highest quality education. We strive to combine the right knowledge and surgical skills that empower the orthopaedic and trauma surgeons to put theory into practice and to improve fracture management for the benefit of the patient.

The AO Principles of fracture management

Welcome

Dear AOTrauma course participant,

We are honored to welcome you to the 67. AOTrauma Symposium. We hope you will enjoy your event and the entire experience.

What is AOTrauma? We are a “clinical division” – a community for trauma and orthopedics within the AO Foundation. As a clinical division we aim to integrate and align applied and clinical research, education, and community development functions into one direction – AOTrauma for the benefit of our members, stakeholders, and patients.

How can AOTrauma benefit you? By working as a single team we focus and leverage our resources, expertise, and skills to create and deliver new and greater value to our members.

What does this mean in education? AOTrauma is committed to providing you the best possible educational experience by continuously embracing and introducing new educational techniques to help you learn and more effectively implement your knowledge for the benefit of your patients.

Why join AOTrauma? Joining AOTrauma means you are part of the trauma and orthopedic community within the AO. AOTrauma will help you develop lifelong friendships and relationships. We will help you access our “knowledge network” and take part in new opportunities that advance trauma care.

Yours sincerely,

Wa'el Taha
Chairperson AOTrauma
Education Commission

Kodi Kojima
Chairperson AOTrauma
International Board

PS: Your experiences with us will result in the realization of new and meaningful knowledge, skills, and understanding that we hope will translate into improved patient care.

Inhalt

2	Value statement	6	Programm
2	The AO principles	9	Event organization
3	Welcome	9	Event information and logistics
4	Ziel des Kurses	9	General Information
4	Zielgruppe	10	Event venue
4	Lernziele	10	Event registration
5	Wissenschaftl. u. organisatorische Leitung	11	Principles of AO Educational Events
5	Regionale Referenten	12	Upcoming events
5	Nationale Referenten		

Ziel des Kurses

In diesem Symposium werden die Themen und Fragestellungen in Vorträgen, Übersichtsreferaten, Diskussionen und Falldiskussionen behandelt. Ziel ist es, das Wissen und das Verständnis für operative Frakturbehandlung zu erweitern und insbesondere die Grenzfälle der operativen und konservativen Therapieoptionen darzustellen.

Zielgruppe

Dieses AO Trauma Symposium richtet sich an alle an der operativen und konservativen Therapie interessierten Kolleginnen und Kollegen.

Lernziele

- Vermittlung von AO-Konzepten in der Frakturversorgung
- Vermittlung der AO-Prinzipien für die Behandlung von Verletzungen des Bewegungsapparates
- Darstellung sogenannter Standardbehandlungen und alternativer Möglichkeiten – anhand von Literatur und Evidenz
- Pro- und Kontradiskussionen der Grenzfälle operativer und konservativer Therapieoptionen

Wissenschaftliche und organisatorische Leitung

Grechenig Wolfgang

Univ. Klinik für Orthopädie und Traumatologie, Graz, Österreich

Regionale Referenten

Gänsslen	Axel	Klinikum der Stadt Wolfsburg, Wolfsburg, Deutschland
Müller	Michael	Klinikum Bayreuth, Unfallchirurgie, Bayreuth, Deutschland
Nerlich	Michael	Regensburg, Deutschland
Zellner	Johannes	Caritas Krankenhaus St. Josef, Unfallchirurgie, Regensburg, Deutschland

Nationale Referenten

Clement	Hans	Univ. Klinik für Orthopädie und Traumatologie Graz, Österreich
Grechenig	Stephan	UKH Klagenfurt, Trauma/Orthopädie, Klagenfurt, Österreich
Hartl	Christoph	Allg. öff. Landeskrankenhaus Steyr, Österreich
Kwasny	Oskar	Kepler Universitätsklinikum, Klinik für Unfallchirurgie und Sporttraumatologie, Linz, Österreich
Matzi	Veronika	LKH Hochsteiermark, Leoben, Österreich
Orthner	Ernst	Allg. Krankenhaus Wels und Privatklinik Althofen, Wels und Klagenfurt, Österreich
Pachucki	Andreas	Klinikum Mostviertel Amstetten, Österreich
Rois	Johannes	Traumazentrum Wien Meidling, Unfallchirurgie, Wien, Österreich
Seibert	Franz	Univ. Klinik für Orthopädie und Traumatologie Graz, Österreich
Schett	Benjamin	UKH Meidling, Unfallchirurgie, Wien, Österreich
Weiss	Maria	Landesgericht für ZRS, Graz, Österreich

ZEIT	AGENDA	WER
09:00 – 09:10	Opening remarks: Welcome	
09:10 – 10:10	Übersichten	W. Grechenig
09:10 – 09:30	Offene Frakturen – State of the Art	Gänsslen
09:30 – 09:50	Fehler / Fehlermanagement	Nerlich
09:50 – 10:10	AO Trauma Prinzipien	Seibert
10:10 – 11:10	Typische Komplikationen vermeiden I	Nerlich
10:10 – 10:30	Proximale Humerusfraktur	Pachucki, Schett
10:30 – 10:50	N. radialis	Kwasny
10:50 – 11:10	Unhappy Triad Verletzungen Ellbogen	Rois
11:10 – 11:40 KAFFEEPAUSE		
11:40 – 13:00	Fallbesprechungen I (Obere Extremität)	
12:00 – 12:20	Diskussion: What went well: die schwierige Versorgung und eine gute Lösung	Gänsslen, Nerlich
12:20 – 13:00	Diskussion: What went wrong: Probleme / Fehler bei der einfachen Fraktur	Gänsslen, Müller
13:00 – 14:00	MITTAGSPAUSE	

Dienstag, 7. Jänner 2020

ZEIT	AGENDA	WER
14:00 – 15:20	Typische Komplikationen vermeiden II	
14:00 – 14:20	SHT – orale Antikoagulation	Kwasny
14:20 – 14:40	pertrochantäre Fraktur – Rotationsfehler	Clement
14:40 – 15:00	Schaftfraktur – nichtanatomische Achsen	S. Grechenig
15:00 – 15:20	Wieviel Fehlstellung verträgt die Tibiakopffraktur?	Zellner
15:20 – 17:00	Fallbesprechungen II (Untere Extremitäten / Becken)	
15:20 – 16:00	Diskussion: What went well – die schwierige Versorgung und eine gute Lösung	Gänsslen, Müller, Nerlich
16:00 – 16:40	Diskussion: What went wrong – Probleme / Fehler bei der einfachen Fraktur	Gänsslen, Orthner
16:40 – 17:00	Q & A	

Mittwoch, 8. Jänner 2020

ZEIT	AGENDA	WER
09:00 – 12:00	Operieren wir zuviel?	Kwasny
09:00 – 09:30	Fragwürdige Operationen Knie	Zellner
09:30 – 10:00	Fragwürdige Operationen OSG/FB	Orthner
10:00 – 10:30	Fragwürdige Operationen Becken	Gänsslen
10:30 – 11:00	Fragwürdige Operationen Radius	Rois
11:00 – 11:30	Fragwürdige Operationen proximaler Humerus	Pachucki
11:30 – 12:00	Fragwürdige Operationen Clavicula/AC-Gelenk	S. Grechenig
12:00 – 12:30	KAFFEEPAUSE	
12:30 – 15:30	Fallbesprechungen III Fragwürdige Operationen, Metallentfernung	W. Grechenig
12:30 – 13:30	Diskussion: Der interessante Fall – Metallentfernung	Gänsslen, Nerlich, Orthner
13:30 – 14:00	Wirbelsäule	Hartl
14:00 – 14:30	Osteosynthese Thoraxwand	Matzi
14:30 – 15:00	Rechtliche Aufklärung wann / wie?	Weiss
15:00 – 15:30	Q & A

AO funding sources

Unrestricted educational grants from different sources are collected and pooled together centrally by the AO Foundation. All events are planned and scheduled by local and regional AO surgeon groups based on local needs assessments. We rely on industrial/commercial partners for in-kind support to run simulations/skills training if educationally needed.

Event information and logistics

 E-Mail sylvia.reischl@aocourses.org

Event organization compliance

In certain countries where AO has no office but offers educational events, the AO cooperates with third party companies to conduct local organization and logistics, as well as to communicate with participants in the local language. In these cases the AO has put rules and guidelines in place (Letter of Secondment, AO Foundation – Principles of AO Educational Events) to ensure that this cooperation has no impact on the curricula, scientific program, or faculty selection.

General information

CME Accreditation

An Application for CME accreditation of this event has been made to the Medical Chamber of Austria.

Evaluation guidelines

All AOTrauma events apply the same evaluation process, either audience response system (ARS) or paper and pencil questionnaires. This helps AOTrauma to ensure that we continue to meet your training needs.

Intellectual property

Event materials, presentations, and case studies are the intellectual property of the event faculty. All rights are reserved. Check hazards and legal restrictions on www.aofoundation.org/legal.

Recording, photographing, or copying of lectures, practical exercises, case discussions, or any course materials is absolutely forbidden.

The AO Foundation reserves the right to film, photograph, and audio record during their events. Participants must understand that in this context they may appear in these recorded materials. The AO Foundation assumes participants agree that these recorded materials may be used for AO marketing and other purposes, and made available to the public.

Security

There will be a security check at the entrance of the building. Wearing of a name tag is compulsory during lectures, workshops, and group discussions.

No insurance

The event organization does not take out insurance to cover any individual against accidents, theft, or other risks.

Mobile phone use

Mobile phone use is not allowed in the lecture halls and in other rooms during educational activities. Please be considerate of others by turning off your mobile phone.

AO Foundation – Principles of AO Educational Events

1. Academic independence

Development of all curricula, design of scientific event programs, and selection of faculty are the sole responsibilities of volunteer surgeons from the AO network. All education is planned based on needs assessment data, designed and evaluated using concepts and evidence from the most current medical education research, and involving the expertise of the AO Education Institute (www.aofoundation.org).

Industry participation is not allowed during the entire curriculum development and planning process to ensure academic independence and to keep content free from bias.

2. Compliance to accreditation and industry codes

All planning, organization, and execution of educational activities follow existing codes for accreditation of high-quality education:

- Accreditation Criteria of the Accreditation Council for Continuing Medical Education, USA (www.accme.org)
- ACCME Standards for Commercial Support: Standards to Ensure Independence in CME Activities (www.accme.org)
- Criteria for Accreditation of Live Educational Events of the European Accreditation Council for Continuing Medical Education (www.uems.eu)

Events that receive direct or indirect unrestricted educational grants or in-kind support from industry also follow the ethical codes of the medical industry, such as:

- Eucomed Guidelines on Interactions with Healthcare Professionals (www.medtecheurope.org)
- AdvaMed Code of Ethics on Interactions with Health Care Professionals (advamed.org)
- Mecomed Guidelines on Interactions with Healthcare Professionals (www.mecomed.org)

3. Branding and advertising

No industry logos or advertising (with the exception of the AO Foundation and AO Clinical Division) are permitted in the area where educational activities take place.
Sponsors providing financial or in-kind support are allowed to have a promotional booth or run activities outside the educational area with approval from the event chairperson.

4. Use of technologies and products in simulations

If case simulations are chosen as an educational method to educate skills, we only use technology approved by the AOTK System (AOTK)—a large independent group of volunteer surgeons developing and peer-reviewing new technology (more information about AOTK, its development and approval process can be found on the AO Foundation website: www.aofoundation.org).

5. Personnel

Industry staff is not allowed to interfere with the educational content or engage in educational activities during the event.
